

ADCM Report

Monthly Update

Hello Family,

May was a solid month for District 46, and I want to start by acknowledging the **Surrender workshop**. It was well put together, and I want to thank **Josh W.** for coordinating it and everyone who showed up, shared, and sat on the panel. The level of honesty and participation made it clear how much people care about showing up for each other.

Courtney is back from the General Service Conference, and our next priority is the **Delegate Report-Back on May 30th in Mount Vernon from 10 a.m. to 2 p.m.** This is where we hear what was discussed, what decisions were made, and what we need to bring back to our groups. It matters that we show up for this because it keeps us connected to the bigger picture and reminds us that our groups are part of something wider than our own meetings.

I've also started my transition to Seattle, which means I'll be looking for someone to **pass the torch** to. This district has been important to me, and I want to make sure the next person stepping into this role is supported and ready. Keeping the district active and healthy is how we make sure the work continues, and the next person who needs help finds a community that's still standing strong.

Thank you all for continuing to show up and carry your part of the load with consistency and heart.
