

DCM Report February 2026 – March 2026

Hi all,

Most of my energies this month have been devoted to providing clarity around the upcoming job of GSRs in taking the information that they gleaned from the pre-conferences and the background information and taking the topics Courtney, our Area 72 delegate, has asked for feedback on. She knows that most groups won't be able to cover all of the topics listed in this summary sheet I've created- click [HERE](#)-, but she is hoping that you can have discussions on several of the issues that goes beyond "yes/no" answers.

- The Northern Districts Pre-conference was excellent! We went over the topics Courtney wants feedback on, there was plenty of opportunity to have questions asked and answered and both Courtney and her alt, Lupita, came prepared and on point. I'd like to congratulate **Claudia, Jess, Howard, Gary, May and Corbin** for making it down to the pre-conference in-person. Joining me online were **Mike C, Sophie, Dina and Lori**. It's not always easy to follow through on our commitments, but it creates such an impact, if not immediately, then down the road.

The [GSR Summary Sheet](#) also contains a step by step guide for giving your group's feedback to Courtney by using a google feedback form. **FEEDBACK IS DUE BY APRIL 19TH**.

1. Login to the [area website](#) and click on the [delegates corner](#) tab. You won't be able to view the info or fill in the form unless you're logged in.
2. Scroll down to "2026 General Service Conference Information" and then click on the [Group Conscience Feedback Google Form](#). Just follow the form and you will be able to share the voice of your group with our delegate Courtney, who then takes it to the 2026 General Service Conference.
3. Have some last minute info to pass on to Courtney? There's a Share with your Delegate event being held on the same day, 4-19 from 9 am to 10:30 am. Click [HERE](#) for all the details.

Here's some links to all the background documents you'll want to review before taking them back to your groups for discussion
