DCM Report

What a busy month! Of course the **BIG EVENT** (i.e. Area 72 October Assembly) was October 4-6<sup>th</sup>, held in Tacoma. We've been preparing for this since August with Pre-Assemblies, and at our District meetings. Although the weekend was a long one, I enjoyed participating in the Assembly as the DCM for District 46. There are so many people serving as Trusted Servants and doing such great work in our Western Washington Area.

The Elections took time due to the manual ballot process, but we got lots of practice with the Third Legacy Voting Procedure. All the Area Committee reports were interesting, as were the Intergroups/Central Offices, and Special reports. We also voted on bids for future Area Quarterlies, and the 2029 Assembly location. These outcomes are listed in the WWA72 Area 2024 Summary posted on the Area website, [area72aa.org](http://area72aa.org) - under the tab "Area Business", then "October 2024 – Area 72 Assembly", then "Documents". All the Assembly Documents are there, including the Summary, the Delegate Report, Area Treasurer Report, etc, etc. This will help you with reporting to your groups of the Assembly business.

My Panel as the Assembly - I was a bit anxious about the panel I was assigned to, not knowing what was involved. This panel consisted of 3 DCMs, a Past Delegate, and the topic was GV/LaVina. We split up the assignment into categories.....1) History of GV, 2) History & current info for LaVina, and 3) a demonstration, on screen, of the GV App. The Past Delegate shared her own wisdom and experience about GV/LaVina, since her Committee assignment during her General Service Conference years was Grapevine/LaVina. It was interesting researching on the Grapevine Magazine, and the panel turned out to be quite fun. I wanted to represent my District well, and hope that I did.

What's next? District Elections, October 19<sup>th</sup> Anacortes/Dakota Creek – come meet one of our Area 72 Past Delegates! Gail H, is facilitating our Elections, so you're in for a treat when we get to have her visit and assist us. Although I'll be rotating out of the DCM position, I look forward to where else I'm needed at District 46. This District is GREAT! We have our challenges with distance and water, but I really like the members I've met over the years, and I continue to learn and grow in my Recovery journey and in my Service journey. Please join us in Service! Committee Chairs. Elected officers, GSRs..... YOU ARE WANTED AND NEEDED in District 46.

On November 2, we are hosting the Area 72 Archives Quarterly, here in Anacortes, at Dakota Creek. I understand that there will be some AA history involved at this Quarterly, so come join us for this, too. AA History is always interesting. Hopefully, we'll have a great showing for our Trusted Servants in Archives, both at District 46, and Area. Watch for Gratitude events coming up! Flyers are being created, and the District website should have these posted once members can get them to our D46 Webservant, JC.

See you at the District meeting on Saturday, October 19<sup>th</sup> at Dakota Creek.
