The purpose is for the Delegate to communicate with the GSRs (and through them the Group) about some issues which will be addressed at the General Service Conference (held in April). This way the GSRs can inform the Delegate about their Groups on the issues so that the Delegate

has a sense of our Area while attending the General Service Conference.

Pre-Conference materials will be available in early March 2021. When the materials are available locate them through your DCM or on the Area webpage (Area72aa.org)

Feel free to attend multiple Pre-conferences!
