YP Chair Report:

Hello all! Lots of fun stuff going on in YP business world. Right now we are mainly focusing on facilitating young members to have their stories recorded in an anonymous format to turn into the GSO YP Video Project. We recently had a pop up recording event at the Seattle Intergroup, where we recorded stories from a bird's eye view. It's the first one and we will be discussing where our next one will be at our quarterly business meeting on January 27th at the Tacoma CSO (3640 S. Cedar St. Tacoma, WA 98409) at 11:30am. Business starts at noon.

If you are interested in going and need more information or help getting there, please email me at [dist46yp@area72aa.org](mailto:dist46yp@area72aa.org). Or if you are interested in being of service for the recording events!

In loving service,

**District 46 Registrar <dist46registrar@area72aa.org>**

I attended an Area Registrar's workshop earlier this month. I received a list of 10 groups in our district that were considered to be of UNKNOWN STATUS from GSO. I managed to clear up most of these and Dina is helping with the San Juan Island groups on the list. I will be meeting with Dave to learn the database system that we now have access to in our district for managing group information and schedules.

250 copies of latest schedules will be available at the District Meeting Jan 20. There were several meeting changes/additions. To my knowledge, no one has volunteered to take on schedules for the next rotation; I will continue to do schedules along with my new position as District Registrar— actually schedules and Registrar are very compatible. I am certainly willing to help someone take over the schedules.
